Welcome to Palmer Snyder

For almost 100 years we have provided our customers with high quality event furniture that offers maximum profitability and return on investment. Trusted by the largest event rental companies in the world, our tables, chairs, dance floors and other rental products are unrivaled in terms of safety, reliability, and overall value.

We are proud to label many of our products with “Made in the U.S.A.” Most of the products that we sell are manufactured and shipped directly from our Pennsylvania factory. Other major locations include corporate headquarters in Milwaukee, Wisconsin and main sales office in Louisville, Kentucky.

At Palmer Snyder, we take pride in the quality of our work! Over 40% of our factory employees are skilled craftsmen with 20+ years of experience. Call us today to learn more about our products!

RETURNS: All merchandise requested to be returned to the originating manufacturer must first be approved and issued a Return Goods Authorization (RGA) number. Please contact the customer service department for an authorized return goods number. All returned goods must be packed in original cartoning, unused, and in sellable condition. Only product shipped from the originating manufacturer from within the last 30 days may be returned. All product must be returned within 30 days of return authorization date or RGA will be cancelled. Please note that custom product is not returnable to Palmer Snyder. Custom products consist of those containing items not within our standard offering as well as custom laminate. If you have any questions on the nature of your product or order, please contact Palmer Snyder Customer Service at 1.800.535.4519.

REVOLUTION® CAFE TABLES

Revolution® lightweight panel technology makes set-up so much easier than traditional cafe tables. You will be truly amazed at how compact our Revolution® Cafe Package is!

FEATURES

- Patented lightweight composite table top core
- Formica®, Wilsonart® or Custom Logo laminate options available
- Self-healing, polyurethane MAXX Edge® finish
- Table top & column have an Internal Connector (IC) design that locks securely into place
- Tops store flat & compact without scratching or abrading

INTERNAL CONNECTOR (IC) TOP & COLUMN

LIGHTWEIGHT

Traditional cafe tables are terribly heavy, made with a particle or fiber board core, and weighing more than 40 lbs. With its patented lightweight panel technology, a 36" diameter round Revolution® table weighs only 15 lbs.

EASY TRANSPORT

A single person can move 20 of our tables packaged in a Revolution® cart through a standard doorway (32" W) and even inside a passenger elevator!

PLYWOOD TABLES

Palmer Snyder's solid plywood banquet tables are built to endure years of set-ups, tear-downs, loading and unloading under demanding conditions. Our carefully selected plywood and optional, proprietary C-Channel aluminum edge offers extra protection for your table edges and 100% bolt fastening provides extraordinary durability.

Choose between black vinyl Bullnose edge or optional aluminum C-Channel edge for added extra edge and corner protection.

Legs are cut, bent, welded, and triple-layer, zinc-plated in the USA resulting in the longest-lasting, lowest maintenance legs in the industry.

Incredibly secure & low maintenance thru-bolted runners and legs. Runners are made of solid hardwood for unparalleled strength.

Narrow Profile - Round tables are only 2.5" thick (folded) when ordered with Space-Saver (non-sequential) folding legs for incredibly compact storage!

SPECIALTY SERPENTINE

We offer many different size, leg and top finish options in our specialty serpentine tables!

Since 2008, all of our plywood tables have been stamped with the year of manufacture. Many suppliers prefer their customers don't notice how long their tables last. For almost a century, our success has been built on our customers knowing EXACTLY how long our products last! For the highest return on investment in the long run, nothing beats a Palmer Snyder plywood table!!
