#### *the perfect imperfection*

A surprisingly “old” yet contemporary design taken from an 1800’s mold, Quartet was stylishly modeled after a popular dish towel design of that time. Boasting the rustic look of hand-thrown china, Quartet still offers the stacking capabilities required of modern restaurants.

*louna**odyssée**extremely stable, non-slip foot*

Odyssée is an innovative collection using modern shapes, distinguished by its sturdy construction and made extremely stable (virtually non-slip) by a silicone "foot" on the bottom of the dishes. The patented process of the PilliBLOC® technology is characterized by a double groove carved into the base of the products and filled with a silicone film. This allows Pillivuyt to create non-slip products that will cling on all surfaces even at an angle of 30°.
